Simple cloud payroll

KeyPay is a premium payroll and workforce management tool that allows employers and payroll professionals to easily manage the end-to-end process of employment - providing tools that save time, ensure compliance, empower employees and show real time costs.

Seamless end-to-end process

Automate the delivery of data required for payroll in one system. Allow managers, employees and payroll staff to connect easily from any device:

- ✓ Easily build rosters and communicate with your team
- ✓ Seamless timesheet entry to manager approval
- ✓ Allow employees to manage data using our mobile app

Employee Self Service

Allow employees full access and ownership of their data via our online portal and mobile app, WorkZone. Say goodbye to manually processing leave requests or managing employee details.

WORKZONE

Over 40,000 employees are already using KeyPay's WorkZone app. WorkZone allows employees to manage their personal information, direct from their mobile.

Employees can:

- ✓ Log timesheets
- ✓ Clock in and out of shifts
- ✓ Accept/decline shifts
- ✓ View bank information
- ✓ Submit expenses
- ✓ Submit leave requests and view leave balances
- ✓ Access payslips and documents
- ✓ View rosters

Automation

Simplify and automate your processes:

- ✓ Notifications
- ✓ Super payments
- ✓ Termination and leave calculations
- ✓ Award interpretation
- ✓ Roster cost calculations

Award interpretation

KeyPay offers an extensive list of pre-built modern awards, automating pay condition calculations so you'll always be compliant in payroll.

Award-costed rosters and timesheets seamlessly integrate with payroll and streamline the roster to pay run process.

“KeyPay has saved us 5 hours a week on entering timesheets, paperwork and chasing people up. As an HR team, being able to pull up reports and data so quickly in a user-friendly interface has made a real difference.”

Karli Newell
HR Director, Stone & Wood

“The best system I've ever used. You can just rely on KeyPay and know that your employees are being paid correctly.”
